

YOUR VOTE FOR SEVEN WONDERS

Choose no more than seven sites. One ballot per person. No photocopies, faxes or e-mail entries. This ballot will re-run in the Today section every Monday and a printable version is posted at www.starbulletin.com, for households that need more than one. A total of five voters — from this round and from the previous nominating process — will be chosen at random to win \$50 restaurant certificates.

How wonderful is that?

Ballots must be in our hands by March 1. Results will be announced in March.
