

**STATE OF HAWAII
BOARD OF EDUCATION**

P. O. BOX 2360
HONOLULU, HAWAII 96804

August 28, 2008

The Honorable Linda Lingle
Office of the Governor
Honolulu, Hawaii 96813

Dear Governor Lingle:

Your correspondence dated August 4, 2008 (received via interoffice mail on August 6) requested an accounting of Hawaii public school educators' participation in the Model Schools Conference held in Orlando, Florida, from June 22-25, 2008.

As you know, school-level decision making is an integral part of reinventing education in our State. Principals, as chief education officers, are responsible for ensuring that school and student academic needs are met. The Hawaii State Board of Education fully supports professional development and training of our school educators which is a vital investment in public education and student achievement.

The Model Schools Conference hosted by the International Center for Leadership in Education is the nation's premier conference on K-12 education reform and student performance.

A total of 644 educators representing 175 schools in 15 complex areas attended this year's conference. The total cost was \$1,573,852.23, comprising general funds (\$1,138,278.03) and federal/other funds (\$435,574.20).

The conference registration fee, including pre-conference and post-conference sessions, was \$350. Schools and complexes paid for airfare costs. Participants received the standard \$145/day per diem rate accorded to all state employees for out-of-state travel to cover hotel accommodations and meals.

It is also important to note that 72 percent or 462 of the participants registered for the Model Schools Conference by March 31. Another 125 registered in April for a total of 587, or 91 percent, of all Hawaii public school participants. This was well in advance of notification of budget cuts.

The Executive Memorandum No. 08-03 dated June 23, 2008, regarding FY09 Budget Execution Policies and Instruction was received by the Department of Education after the Model Schools Conference had already begun. Subsequent to receiving your memorandum, Superintendent Patricia Hamamoto issued a memo on June 30, 2008, implementing cost saving measures for Fiscal Year 2008-09 that limits out-of-state travel to those mandated by federal or special program requirements, or are at no cost to the State.

Sincerely,

Donna R. Ikeda
Chairperson
